

MR OR MRS MACHINE

DEBRIEF ACTIVITY

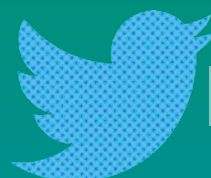

INSTRUCTIONS

THIS FUN ACTIVITY HELPS STUDENTS MAKE A METAPHORICAL CONNECTION BETWEEN THEIR LESSON EXPERIENCE AND A MACHINE AND ALSO PRACTISE THEIR DRAMA SKILLS. STUDENTS BEGIN BY SITTING IN A CIRCLE. EXPLAIN TO THE STUDENTS THAT YOU WANT THEM TO THINK OF THEMSELVES AS A TYPE OF MACHINE (E.G. A CAR) WITH REGARDS TO THE LESSON THAT IS BEING DEBRIEFED. THE STUDENTS ARE TO THINK ABOUT THIS MACHINE AND CHOOSE ONE PART OF THE MACHINE THAT THEY FEEL IS SIMILAR TO THEIR ROLE IN THE LESSON (E.G. FLAT TYRE, ENGINE, HORN).

WHEN THE STUDENTS HAVE FINISHED CHOOSING, ASK FOR ONE TO EXPLAIN WHAT MACHINE THEY CHOSE AND WHICH PART, AND WHY THEY CHOSE IT. THEN HAVE THAT STUDENT MOVE TO THE CENTRE OF THE CIRCLE AND ACT OUT THE MACHINE PART THEY CHOSE. THE STUDENT REMAINS THERE AND THE REST OF THE STUDENTS FOLLOW SUIT AND ADD ONTO THE MACHINE. AT THE END OF THE ACTIVITY, ASK THE WHOLE GROUP TO ACT OUT THE MACHINE THEY CREATED.
