

# TWO TRUTH ONE LIE

## ICEBREAKER ACTIVITY

# INSTRUCTIONS

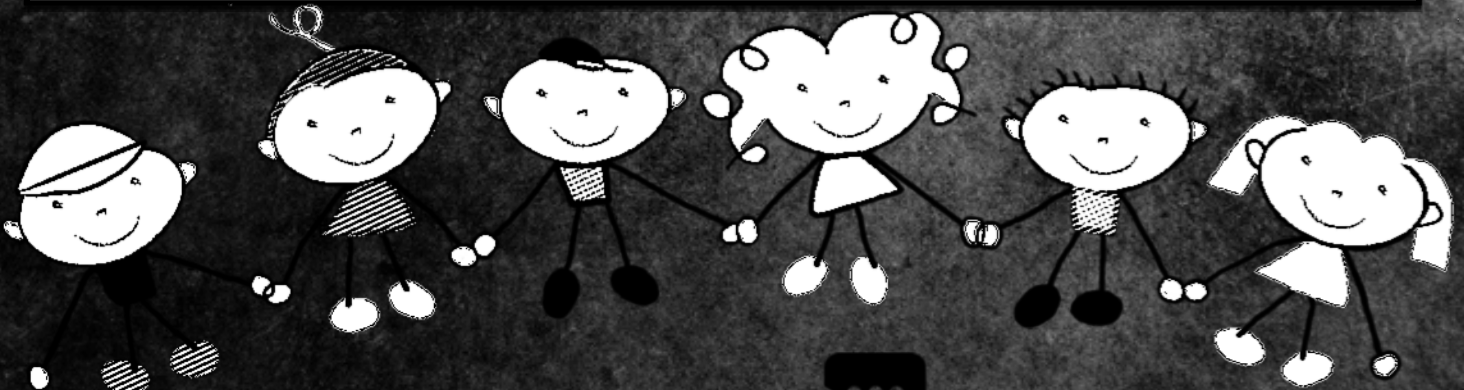

STUDENTS ARE TO GET INTO PAIRS (OR THREES). THE IDEA OF THIS ACTIVITY IS TO TRICK THE REST OF THE GROUP WITH FACTS ABOUT YOU BOTH.

IN THEIR PAIRS, STUDENTS NEED TO WORK OUT TWO TRUTHS AND ONE LIE ABOUT EITHER OF THEM TO PRESENT TO THE REST OF THE GROUP. THE REST OF THE GROUP ARE GIVEN THE THREE 'FACTS' (ONE OF WHICH IS A LIE), AND NEED TO TRY TO WORK OUT WHICH ONE OF THEM IS A LIE.

### EXAMPLE:

1. I CAN PLAY THE PIANO.
2. I HAVE A 21-YEAR-OLD PET CAT.
3. I'M THE YOUNGEST IN THE FAMILY.

TWO STATEMENTS NEED TO BE TRUE AND ONE A LIE.
